Dear Parents,

Harvest Festival

Next Tuesday we will be celebrating ‘Harvest Festival’ and giving thanks for the food we eat. This year we are supporting Hull HARP which is a charity that supports the homeless community by providing food packages and a meal service. We would welcome any donations of tins, packets, tea bags etc. to enable us to support the charity. Donations can be brought into school on Monday and Tuesday and we will arrange for the food parcels to be collected by HULL HARP. Thank you in advance for any kind donations that you offer.

Parking

I have had some complaints from local residents this week about the traffic situation at the start and end of the school day. I have been out this morning and spoken to a number of parents who are forgetting that cars must not be stopped on the yellow lines outside of the school gate at any time. This is to protect the children and families who are crossing the road and to ensure the view is not restricted. I also noticed a number of cars parked outside the garages opposite the school gates. This means that residents cannot access their garages. I plead with you to help resolve this situation by not parking outside the gates or blocking the garage entrances. I thank you for your cooperation with this matter for the safety of our children and out of respect for the local community.

Year 5 and 6 Visits Mother Shipton’s Cave

Our children had a wonderful time this week at Mother Shipton’s Cave as part of their ‘Water’ theme. The children had a guided tour and were mesmerised by the power of water on shaping this unique environment. The behaviour of the children was absolutely outstanding and they were all wonderful ambassadors of our school.

Parents Coffee Morning

Unfortunately the coffee morning due to take place next Wednesday has been postponed as it coincides with the children leaving for our residential and the hall will be in use. We will let you know a new date shortly.

Charities

A massive thankyou to everyone who supported our Macmillan coffee morning last week we raised a massive £147.53 plus £110.50 for Jeans for Genes Day.

Parent Governor

We desperately need a Parent Governor to represent the collective view of parents on the Governing Body. We didn’t receive any nominations and so therefore still have a vacancy to fill. As a Governor you will be fully supported and welcomed into the role. Please pop in for a chat if you think you would be interested.

Reading At Home

We have noticed that there are a small number of children who rarely read at home on a weekly basis. Although we do not insist that children read every night we encourage children to read 4 times in order to gain their Reading Gladiators Award. Please help us by encouraging your child to read at home. The class with the least number of children that read at home this week was Year 1.

Reading Gladiators

Congratulation years 5 our winners this week. It’s nice to see an improvement from last week.

Attendance

KEEP IT UP - our overall attendance is 97.5% which is another good week, well done everyone.

Congratulations Year 1 and Class 6
